Dear Daddy:

I just found out we are going to Tampa, Fla., and I want you to send Mr. Moore's name and where he works there. He is the one that married Miss Jenkinson, and worked in Searles. Write me the same address here, and they will forward it to me. Hope all is well there, and we are going to guard the airport in Tampa. So write soon, and don't worry too much. Lt. Gilliard Disney is now with this company.

Love, Harold
